Bufftech[™]
Vinyl Fence Products

3-Rail
The choice for typical horse pasture applications.

Post & Rail

A winning combination of beauty, durability and versatility

Bufftech's[™] Post & Rail fencing is designed to beautify and enhance the value of your property. Offering sturdy construction and long-lasting quality, the 3 and 4-Rail styles function beautifully as low-maintenance enclosures for horses. The 2-Rail and Crossbuck styles add a touch of elegance to perimeters or when used as a decorative accent.

Post & Rail

Styles: 2, 3 or 4-Rail and Crossbuck

Colors: White & Tan
(Tan only available with ribbed rails)

Rail Size: Ribbed: 1-1/2" x 5-1/2", 2" x 6"
Hollow, 2" x 6" Ribbed

2-Rail

Ideal for stately perimeter applications.

4-Rail

Available for applications where taller fence and smaller rail spacing is desired.

Crossbuck

Classic crossbuck style features a distinctive design for decorative applications.

The Bufftech™ advantage.

Thanks to state-of-the-art vinyl technology, Bufftech's premium vinyl fence is engineered to last. The weather-resistant vinyl construction won't corrode, peel, flake or discolor. Our innovative co-extrusion process offers increased durability and UV protection, while precision pre-routed posts provide for easy, bracket-free installation. All Bufftech products are backed by an outstanding lifetime limited warranty.

Safe and Beautiful

- Retains virtually no moisture and has no taste – horses and livestock tend not to crib or chew on vinyl fence
- No nails, sharp edges or splinters – enhances safety

Strong and Durable

- Highly weather resistant
- Will not chip, rot or peel
- Stays flexible, exceptional impact resistance

Economical and Virtually Maintenance-Free

- Never needs painting or staining – time and money savings on maintenance
- Lifetime limited warranty

Post & Rail Fence Specifications

Style	Posts	Rails	Gates
Post & Rail	5" x 5" on 8' Centers	1-1/2" x 5-1/2" Ribbed or 2" x 6" Ribbed or Hollow	2-Rail - 6' wide (12' Double Drive) 3 and 4-Rail - 8' wide (16' Double Drive)
Crossbuck	5" x 5" on 8' Centers	1-1/2" x 5-1/2" Ribbed Crossrails 1-1/2" x 5-1/2" Ribbed	Available in 8' Width Only, 16' Double Drive

Rails: Rails are 16' long; 8' rails available for gates and short sections. Rail ends are alternated between posts to increase strength and durability.

Rail Types

1-1/2" x 5-1/2"

3 and 4-Rail ribbed design suitable for typical horse pasture applications

2" x 6"

A stronger rail design recommended for paddocks and small corrals

Hollow

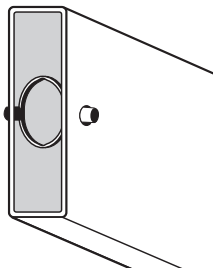

Provides flexibility and is recommended for applications where regular impact is probable

Ribbed

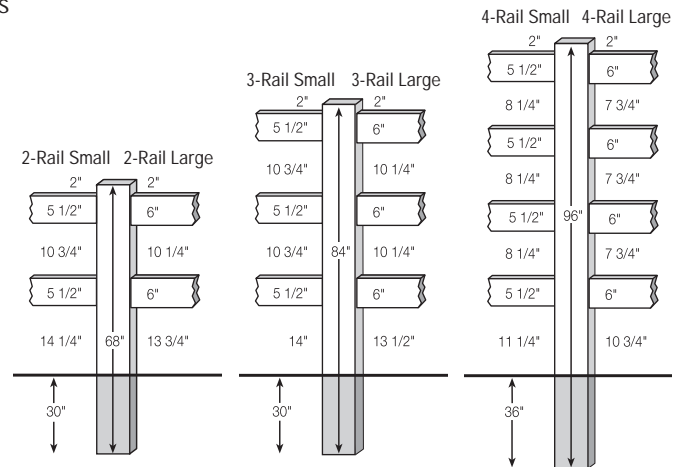

Provides additional stiffness where increased rigidity is required

Spacing

For complete instruction detail, refer to Bufftech's Installation Manual.

The lock ring secures the rail inside the post.

WARNING: If fencing which has been noted as not suitable for animal containment is used as the only means of animal restraint, animals may escape with the risk of serious injury to animals and people. Only use 3 and 4 rail fence for animal containment due to its sturdy construction.
